Trying to decide on a theme ... planning and ordering decorations ... have we got a band yet?... working like dogs to get everything decorated ... buying formal dresses ... 4 inch heels ... \$50 for a Tux!... arriving late ... my corsage wilted ... memory books ,... dancing till midnight ... its all over too soon ... we'll never forget Summer Breeze

BOVE: Hunter Pleasants appears to catch the ball, as Rick .itton (right) kicks it.

It isn't very hard to imagine us in terrible trouble on the field, as we often get that way. Big as we are we still know ten of us can get into the worst messes without the rest of the teams support. Afterall, this is a new sport and we want to keep it at Cumberland as long as we can.

A new sport at C.H.S.... its about time ... kicking ... jumping ... kicking soccer balls ... getting kicked ... knee pads ... knee injuries ... goalies ... stopping the ball ... goalies letting them to go by ... trying to stop them but unsuccessful sometimes Coach Harrison!

True Dedication

MRS. PEARL GILLIAM

Throughout most of our years here at Cumberland High, there has been a face very familiar to us all. It has been that of Mrs. Gilliam. No matter who we are, we can or must always remember her kind face and understanding voice when we were in times of trouble.

It is for this reason that the Yearbook staff humbly dedicates our book to her. In the hope that it will enlighten her stay through the years. We know that it is not even a start on thanking her for all of her work, but we just want to say we appreciate you and what you've done for us.

In Memory Of

VICTOR CLARKE April 8, 1961--Dec. 14, 1976

Victor Clarke was one of those people who was always there to lend a helping hand. To him life was helping others with their problems with no consideration of his own. His smile ways with people will always be remembered.

ROSE WADE July 20, 1959--Feb. 21, 1977

Rose Wade gave the world something while she was with us. The gift she gave to most was a smile and a kind word. Although she is gone she will always be remembered by her friends and the people she loved and was loved by.

Graduation

On the morning of June 12, the annual Baccalaureate service was held in the auditorium of the Cumberland Elementary School. The Senior class listened to Rev. Thomas Reynolds as he gave them the helpful final words before the future life took them off.

At five-thirty, the Seniors marched out for the coming up commencement exercises. Dr. Overton R. Johnson brought points out to the Seniors, that gave way to tears for some and smiles. We want to look forward to their success and wish the Class of '77 the best of luck.

Thanks . . .

The yearbook staff would like to thank those people who have helped to make this yearbook possible. First the photagraphy club, under the direction of David Meinhard, deserves a round of applause for the many, many pictures they took for the yearbook. For example, the pictures for the T.M.R. section were taken by Susan Towler, David Meinhard took car bash pictures, and Louis Hatcher took track pictures. Also taking candids for the yearbook were Adrienne Tyler, Teresa Patterson, and Sheila Morgan.

Next we would like to thank Connie Pepper and DECCA, who worked hard selling yearbooks and advertisements. We also owe thanks to Robin Smith
